WHO WE ARE

EXCEPTIONAL EVENTS SERVICES

Since 2008, CALCIUM has been involved in branding and equipping some of the largest sporting and cultural events across the region.

CALCIUM is specialized in conceptualising, designing, 3D visualising and executing:

- Themed Environments • Events Branding • Exhibition Stands • Brand Activations
- Way-finding • Custom Fabrications

In addition, CALCIUM provides a complete event solution for:

- Product Launches • Corporate Events • Conferences • Gala Dinners • Award Ceremonies

WHY CHOOSE CALCIUM?

CALCIUM has been involved in some of the largest sporting and cultural events in the UAE and more recently Saudi Arabia and the region.

At CALCIUM the design, visualization, production and installation is all done in-house to ensure high responsiveness and even higher quality standards.

At CALCIUM we understand the demanding nature of events and ensure that your project is delivered smoothly, impeccably and on time, every time!

Some of our clients

ENVIRONMENTS

CALCIUM's in-house creative team is bursting with innovative ideas. Visually exciting branding helps in attracting visitors to your event and enhances onsite engagement. We take pride in developing eye-catching environments, stand out graphics and appealing activations that produce memorable interactions. We employ up-to-the-moment technology applied across a wide range of print media coupled with well-designed structures to make an impact and get the message across. We take care of the whole process from theming and concepts to delivery and installation, which leaves our clients free to focus on what matters.

EXPERIENCES

CALCIUM provides a complete solution for events including product launches, brand activations and corporate events such as conferences, forums, gala dinners and award ceremonies. Highly attentive and experienced event managers and production staff will ensure that your next event is faultlessly executed. With offices and production facilities located in both Dubai and Abu Dhabi clients can rest assured that no event is impossible for the team at CALCIUM.

FABRICATIONS

Our highly experienced team take pride in bringing creative ideas to life. We provide turnkey solutions, from design and project management to production and installation of a wide range of custom fabricated structures including exhibition stands, POS material, visual merchandising and urban furniture just to name a few. Our team is innovative with a purpose: to design experiences that foster curiosity and conversation and convert your customers into brand advocates. We work with you to establish a brand personality for your exhibit and then develop ideas that encourage active engagement with your brand.
